The Metals Recycling Event (MRE) and Complete Auto Recycling Show (CARS) is the leading event in Europe dedicated to vehicle and metal recyclers.

With a brand new venue allowing for an additional exhibition hall, more space for outdoor exhibits and a larger live demonstration area, the 2018 show is bursting at the seams with new attractions and features. These include;

- Indoor and outdoor exhibitions
- Two days of expert presentations and practical seminars
- Free workshops and one on one advice from The Business Doctors
- Live demonstration area
- Off-site tours
- Future generation area
- 'Meet the Buyer' lounge
- Evening entertainment

CARS & MRE are FREE to attend and the 2018 event will see more than 1,700 visitors across the two days.
